**Attachments:** Honorable Marvin\_L\_Abney\_Budget Article 18.docx

Good Afternoon Chairman Abney

I am writing on behalf of the Rhode Island Business Group on Health representing 90 member companies with over 80 thousand Rhode Island employees to submit the attached letter in opposition to raising the hospital licensing fee. We believe this proposed change will only make health insurance more unaffordable.

Please let me know if you have any questions.

Thank you for considering this request.
